

XM518 Series

Mirror control system

■ Application:

- 7.3-inch LED display
- Wi-Fi connection
- Indoor temperature detection
- LED night mode

ELECTRICAL SPECIFICATION

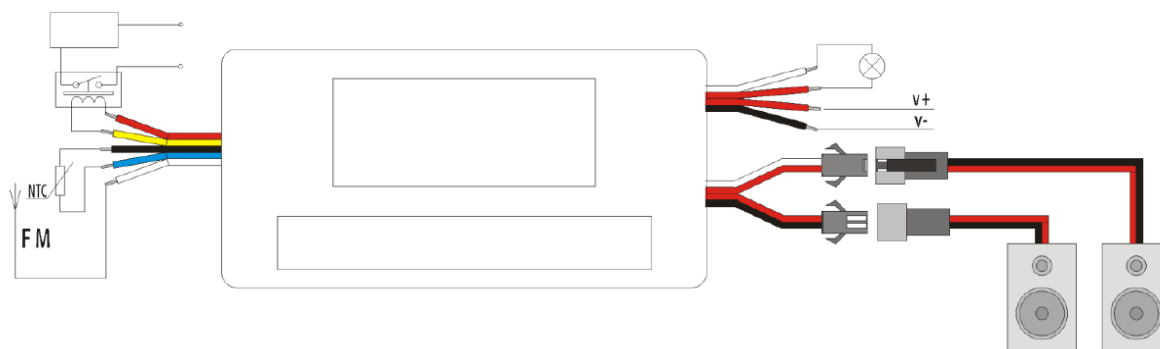

MODEL	XM518	XM518-BT	XM518-BTSP	SP-XM518	TS-XM518
Input DC Voltage	12-24V				
Working current	5A				
Max. Power	100W				
Principle of induction	Touch sensing				
Sensing distance	6 mm				
Bluetooth Version	-	4.0	4.0	-	-
FM Radio	88-108 MHz				
Speaker Dimension	168.4 x 82.0 x 17.5mm (L x W x H)				
Product Dimension	107 x 51.5 x 25.5mm (L x W x H)				

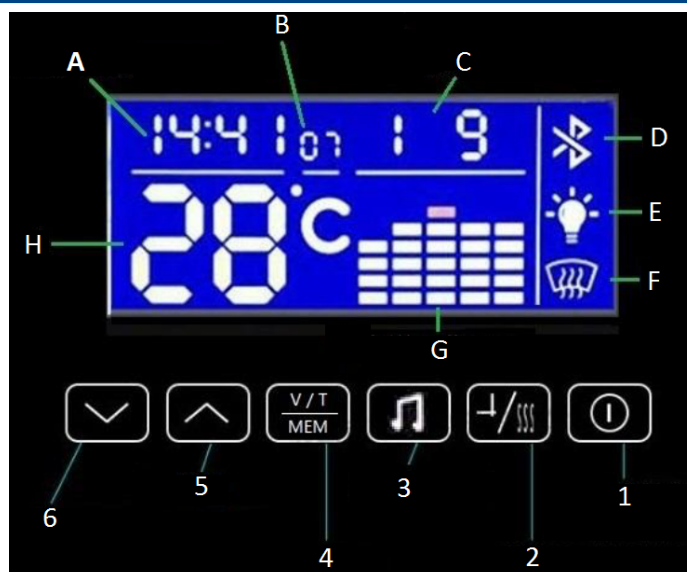

WORKING ENVIRONMENT

Working Temperature	-25°C ÷ 60°C
Working Humidity	10 ÷ 90% RH non-condensing
Storage Temperature and Humidity	-20°C ÷ 85°C, 5 ÷ 90% RH non-condensing

WIRING DIAGRAM

DISPLAY

	Clock		Radio			Bluetooth	
A	Hours, Minutes	Years	Hours, Minutes	Channel	Years	Hours, Minutes	Years
B	Seconds		Volume			Seconds	Volume
C	Month, Day		Frequency			Month, Day	
D	No Display		No Display			BT Icon	
E	Illumination function is ON						
F	Anti-fog status indication, lit means anti-fog function is on						
G	Week		Spectrum			Spectrum, upper curve, lower curve, pause symbol	
H	Always show current temperature						

FUNCTIONALITY

	Clock		Radio			Bluetooth	
1	Regular	Time adjustment status	Regular	Volume adjustment status	Adjust frequency status	Regular	Adjust the volume status
	No use	Short press: -1	Short press: next channel	Short press: volume -1	Short press: frequency -1	Short press: Previous song	Short press: volume -1
		Long press: -1	Long press: no function	Long press: volume decreases continuously	Long press: search next channel	Long press: no function	Long press: volume decreases continuously

XM518 Series

Mirror control system

	Regular	Time adjustment status	Regular	Adjust the volume status	Adjust frequency status	Regular	Adjust the volume status
2	No use	Short press: +1	Short press: previous channel	Short press: volume +1	Short press: frequency +1	Short press: next song	Short press: volume +1
		Long press: up continuously	Long press: no functionality	Long press: volume increase continuously	Long press: search previous channel	Long press: no functionality	Long press: volume up continuously
3			Short press: switch regular – volume adjustment – frequency adjustment			Short press: regular – volume adjustment	
			Long press 3s: enter full-band automatic search and memory function			Long press: no function	
4	Short press: switch to Bluetooth Channel		Short press: switch to clock functionality			Short press: switch to radio channel	
	Long press: no function		Long press: no function			Long press: no function	
5	Short press: change the adjustment position when the year is displayed and the anti-fog clock is adjusted		Short press: On/Off anti-fog			Short press: On/Off anti-fog	
	Long press: enter the clock adjustment status		Long press: no functionality			Long press: no functionality	
6	Short press: Standby, when standby, short press to activate devices. When working, on/off the brightness functionality						
	Long press: When working, long press 3s to shut power off
